

Ensure healthier, better tasting water with our filter replacement program...

Sign up today

InSinkErator® offers **2 options** to help remind you when to replace your filter.

1 Auto Ship Program

Visit [insinkerator.com/filterpurchase](https://www.insinkerator.com/filterpurchase) to enroll in the InSinkErator auto ship program, during checkout, and receive your new filters, shipped automatically to your home.

OR

2 Email Reminder Program

Visit www.insinkerator.com/filter to receive an email reminder when your InSinkErator water filter needs to be replaced.

Recommended filter replacement is every 6 months at the rated capacity or if a noticeable reduction in water flow rate occurs.

F-1000 and F-2000 filters are designed for use with InSinkErator water dispensers
