## BUILD YOUR OWN SOLID WOOD BOOKCASE

- Any combination of 6 heights, 4 widths, 27 colors and 3 handles
- Ability to add doors on 72" and 84" high bookcases
- Ability to combine together and create custom wall units
- 48" wide bookcases have a center divider

**NATURAL FINISH:** White birch plywood backs blend well with our selection of stain colors, yet we don't recommend the natural finish because it can slightly contrast with alder.

### CREATE CUSTOM WALL UNITS

Combine separate bookcases together to create custom wall units to fit your space.

With their flush-cut design, these bookcases can be placed side by side and securely fastened to form a single unit.
