GE Appliances

AJCH12DC—"J Series" High Mount Cool Unit

Dimensions (in inches)

Make frame if desired or caulk between case and siding

Frame Construction

Flexible Mounting Position

Brick Block and Brick Frame Construction

Fill open cells with mortar or insulation

Installation Information: A finished opening of 26-1/8" x 15-3/4" clear of intrusions is required. Keep clearance of 4" from side walls. Brick veneer or frame walls should have wood studding surrounding case to provide firm anchoring with screws. Case can be fastened directly to brick or block walls with screws sunk in lead expansion shields.
