

CS975SD

GE Café™ Series 30" Free-Standing Radiant Range with Storage Drawer

Dimensions and Installation Information (in inches)

Note: This appliance has been approved for 0" spacing to adjacent surfaces above the cooktop. However, a 6" minimum spacing to surfaces less than 15" above the cooktop and adjacent cabinet is recommended to reduce exposure to steam, grease splatter and heat.

Installation Information: Before installing, consult installation instructions for current dimensional data and additional requirements.

KW Rating	
240V	15.5
208V	11.6
Breaker Size	
240V	40 Amps†
208V	40 Amps†

†Note: Check local codes for required breaker size.

*Dimensions from floor to top of the cooktop.
Floor to top of rear vent trim is 37-1/4"

Receptacle locations: Locally approved flexible service cord or conduit must be used because terminals are not accessible after range installation. See shaded area in drawing for location of electrical outlet box. Recommended outlet locations allow range to be installed directly against wall.
