

Showroom Display Program

Display program that fits the needs of your showroom and will maximize sales of key Broan range hoods.

The display features a high-visibility Broan logo sign and contemporary finishes that match the Broan brand.

Designed to fit in a small footprint of only 36" w x 24" d x 84" h.

Tablet with mount enhances the display by allowing sales staff and customers to view the Broan catalog of range hoods and animations that explain the benefits of the newest technology in under cabinet range hoods - the Captur™ system.

*Display images are for reference only,
each display will look different depending
on the product mix.*

Range hoods not included.
