DESCRIPTION

When the view out your kitchen window is too spectacular to disrupt with a range hood, Elica's Rise is the perfect solution. Rise recesses completely out of sight into the countertop when not in use, but when it's time to cook, it elevates a full 14" above the countertop—almost twice the height of competitors—for added ventilating efficiency. Additionally, Elica's Perimeter Aspiration Technology increases suction by 35%, effectively drawing air from the front burner to create the best functioning downdraft on the market. Rise comes equipped with a powerful 600 CFM internal blower, operated by an electronic rotating control mounted into the countertop or cabinet face. For maximum flexibility, the blower can be rotated to the opposite side to make room for a floor-mounted range.

FEATURES

Perimeter aspiration

Top performance

GENERAL PROPERTIES

Width	30"	36"
Model	ERS630S1	ERS636S1
Dimensions	30"W x 12 1/2"D x 14"H	36"W x 12 1/2"D x 14"H
Blower Type (Internal) ¹	600 CFM (3-speed+ boost)	
Noise (Min-max sones) ¹	1.7-6.8 Sones	
Electrical	120V-60Hz, 550W	
Finish	Stainless Steel	
Controls	External electronic rotating disk	
Grease filters	Dishwasher-Safe, anodized aluminum mesh filter + perimeter aspiration	
Installation type	Ducted only	
Duct transition	3 1/4" x 10" rectangular or round 6" discharge (3 way directional)	

KITS

CFM Reduction Kit	KIT02748 (achieves < 300 CFM)
