

# FAB28URDYVC3

Product family	Refrigerator
Installation	Free-standing
Category	Single door
Cooling type	Fan-assisted refrigerator, static freezer
Defrost	Automatic for refrigerator, manual for freezer
Hinge position	Right
EAN code	8017709319748

## Aesthetic

Aesthetics	Retro-style	Logo color	Chromed
Color	Decorated / Special	Side material	Steel
Finishing	Glossy	Side color	Decorated / Special
Decoration / Special color	Veuve Clicquot	Logo	Applied
Collaborations	Smeg & Veuve Clicquot	Door shelf profile color	Chromed
Handle	External	Drawers profile color	Chromed
Handle color	Chromed	Glass shelf profile color	Chromed

## Refrigerator compartment features

No. of adjustable shelves	2	Type of crisper cover	Glass
Number of fruit and vegetables drawers	1	LifePlus zone - 32°F	Yes
Type of adjustable shelves	Glass	Refrigerator lighting	Yes
Crisper drawer type	Sliding crisper	Refrigerator lighting	LED
Crisper cover	Yes		

## Refrigerator Inner Door

No. of door shelves with transparent cover	1	No. of bottle shelves	1
Number of adjustable door shelves	1	Door bin with wire support	Yes

Adjustable door bins with wire support Yes

## Other Refrigerator features

MultiFlow

Yes

Fan

Yes

## Freezer features

Internal freezer compartment Yes

## Other technical features

Door open alarm

Acoustic and visual

Antibacterial gasket

Yes

Temperature setting type

Electronic

No. of compressors

1

Refrigerant gas type

R600a

Compressor type

Inverter

Foam agent

Cyclopentane

## Electrical Connection

Plug (A) USA & Mexico  
 Electrical connection rating 90 W  
 Current 2.2 A

Voltage (V) 120 V  
 Frequency (Hz) 50/60 Hz  
 Power cord length 70 7/8 "

|----------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
|  | The automatic defrost system works by automatically defrosting at regular intervals eliminating the need to defrost altogether.            |  | Antibacterial treatment: antibacterial treatment to ensure better hygiene                                                                                                                                                               |
|  | Ventilated: Forced distribution of cold air in the refrigerator compartment, which allows even temperature distribution within the fridge. |  | LED interior lighting: is a more energy efficient and long lasting way of illuminating the interior of the appliance.                                                                                                                   |
|  | Life Plus 0°C: The temperature in the Lifepius compartments is kept at 0°C, which preserves fresh meat and fish longer.                    |  | Inverter technology: The evolution of Smeg's driers towards more intelligent and environmentally sustainable models has led to the choice of using Inverter technology with heat pumps, which reduces significantly energy consumption. |
|  | Air plus: keeps food fresher for longer.                                                                                                   |                                                                                   |                                                                                                                                                                                                                                         |
