

IW-30R

FEATURES

- Accepts custom panels for an integrated look within cabinetry or stainless-steel accessory panels and handles to match other Sub-Zero, Wolf, and Cove products*
- Offers any-occasion-86-bottle capacity
- Store reds and whites in separate temperature zones that keep wines at proper serving temperatures, within one degree of setpoint
- Refrigerator drawers create an additional temperature zone
- Maintains constant, moderate humidity with dual evaporators so corks do not dry out
- Shields wine from aging with UV-resistant glass door
- Select the wine you want without agitating others with textured roller-glide shelves that do not vibrate
- Locks in cold air to ensure freshness with magnetic door seals
- Locate your favorite bottles easily with LED lighting
- Organize your collection with our inventory tile system
- Connects to your home security system
