JTP15BABB - GE 30" Single Wall Oven

Undercounter Installation (in inches)

Note: Oven is rated for use only under the following cooktops:

- GE 30" and 36" electric coil and CleanDesign cooktops (Excluding Induction)
- GE 30" and 36" gas standard and sealed burner cooktops

Note: Gas or electric cooktops may be installed over this oven. See cooktop installation instructions for cutout size. See label on back of oven for approved cooktop models.

Installation Information: Before installing, consult installation instructions [Pub. No. 31-10125] packed with product for current dimensional data and for alternate installation options.

Optional Custom Installation for 30" CleanDesign or Sealed Burner Gas Cooktop (in inches)

This installation is to achieve minimum gap between bottom of countertop and control panel.

Note: For this installation, the bottom trim **will not** be flush with a typical 4" toe kick.
