

Countertop Bullet-Ice Maker

MERI26B0AWW White
MERI26B1AGN Green
MERI26B1AGY Grey

Chill your drinks faster! In just six minutes, Midea's Countertop Bullet Ice Maker produces a batch of eight bullet-shaped ice cubes, making up to 26.5 pounds of ice per day. Its compact and portable design lets it fit anywhere, from a kitchen counter to an RV, and the included ice basket and scoop make it easy to serve guests no matter where the party happens.
