

Countertop Bullet-Ice Maker

WOW
Feature
**Bullet Ice
in Two Sizes**

Chill your drinks faster! In just six minutes, Midea's Countertop Bullet Ice Maker produces a batch of eight bullet-shaped ice cubes, making up to 26.5 pounds of ice per day. Its compact and portable design lets it fit anywhere, from a kitchen counter to an RV, and the included ice basket and scoop make it easy to serve guests no matter where the party happens.

Certifications & Warranty

Ice Bullets in Two Sizes

Choose small ice bullets to quickly chill sodas, or large ice bullets to enjoy slow-sipping cocktails.

Fast Ice Production

Produces 8 ice bullets in only 6 minutes, and up to 26.5 pounds of ice per day.

Compact & Portable

Perfect for saving counterspace in your kitchen, office, or RV.

Auto Clean

Keep your ice maker clean and running efficiently with the one-touch auto-clean function.

Removable 0.9 lb. Ice Basket

Allows you to easily transfer the ice to a cooler or container before making another batch.

Ice Scoop Included

Great for serving ice at parties, barbecues, and other events.
