QuietClose™ Door

EasyInstall™

Zero Clearance Door

From early-morning oatmeal to late-night nachos, Midea's 1.9 cu. ft. Over-the-Range Microwave helps keep your kitchen peaceful. The QuietClose™ door replaces the harsh bang of closing with a gentle click, while its zero clearance design provides a built-in look and allows the door to open a full 90°. Our innovative EasyInstall™ mounting system makes setup simple and seamless*. When your microwave door is quiet enough to keep midnight snacks a secret, you can **PLUS UP** what matters most.

Warranty

QuietClose™ Door

PLUS UP your zen with a specially designed door that closes smoothly and gently, helping reduce noise and everyday wear.

Zero Clearance Door

PLUS UP your fit with a door that has a built-in look and opens a full 90°, even in tight spaces.

EasyInstall™

PLUS UP your setup with our innovative mounting system that makes installation fast and easy*.

*Model MMO17S6AST/BB/WW can be installed at a rate of eight minutes (22%) faster than the previous generation MMO17S5AST/BB/WW based on 2026 testing data compiled by Midea's Global Testing Laboratory under standard testing conditions. Actual performance may vary depending on product usage.

Fingerprint-Resistant Stainless Steel

Minimizes fingerprints and smudges for a spotless look without constant cleaning.

Large 1.9 cu. ft. Capacity with Auto Smart Sensor Cooking

Easily fits large dishes, while Auto Smart Sensor Cooking automatically adjusts cooking time and power level for optimal heating.

Powerful Ventilation

2-speed 400 CFM fan quickly removes smoke and odors from your cooktop.
