Certifications & Warranty

Large Capacity

Offers 26.3 cubic feet of storage space for fresh and frozen foods, and its side-by-side design keeps everything at eye level.

Ice & Water Dispenser

Make your selection using the backlit touch controls and instantly enjoy cold, filtered water and two types of ice.

Two Types of Ice

Choose cubed or crushed ice to match every drink; from slow-sipping sodas to frozen cocktails.

Spillproof Glass Shelves

Five refrigerator shelves and four freezer shelves make it easy to stay organized; each shelf features raised edges to keep spills contained.

Four Spacious Door Bins

Store items in the door to free up shelf space, with large bottles and containers fitting in the two gallon-sized bins.

Humidity-Controlled Crisper Bins

Choose the ideal humidity level for each bin to keep fruits and vegetables fresh.
