FEATURES & BENEFITS

ZLINE Classic Series - The ZLINE Classic Series features timeless design sensibilities and innovative features engineered with luxury and affordability in mind

DuoPro™ Cooktop Design - Transform your kitchen into a home chef's dream with ZLINE DuoPro™, which delivers up to 170,000 BTUs of power, double the performance of most standard 48 in. gas cooktops

Precision Dual Heat Zones - With a range as low as 800 BTUs on each inner burner to 20,000 to 25,000 BTUs on the outer burners, an exclusive dual-port design lets inner and outer rings operate separately for more efficient cooking than most leading competitors

INTRODUCTION

The ZLINE 48 in. 6.7 cu. ft. Classic Dual Fuel Range with 8 Burner DuoPro™ Cooktop and Dual Ovens in Stainless Steel (PCDR48) features a high-powered gas cooktop with 8 hand-crafted Italian dual-ring brass burners and a versatile electric convection oven allowing you to master every meal. With ZLINE DuoPro™, every burner brings the performance you need—wherever you need it.

True Simmer-to-Sear - Every DuoPro™ burner delivers the full range of heat; you can simmer a delicate sauce, sear a steak, or rapidly boil pasta—all at the same time—without worrying about which burner has the right power

Every Burner Is The Best Burner - The versatility of DuoPro™ cooktops means no more pausing to move pans around, no waiting for the "right burner" to open up, and no compromises on timing—everything is ready when you want it to be

Italian Brass Burner Craftsmanship - Hand-forged in Italy, DuoPro™ brass burners operate efficiently due to a natural oxidation process that forms a patina and deeper brass hue to protect from corrosion while withstanding high temperatures and resisting warping and deformation
