

# SCR49SSG

83.75" x 55.25" x 31" (H x W x D)

49 cu.ft. commercial reach-in refrigerator in complete stainless steel with glass doors

**Highlights:**

- Commercially listed to NSF standards
- Glass doors provide a full display of stored products
- Stainless steel interior and exterior cabinet for true durability in high traffic commercial settings

**Product Features:**

|                                                 |                                                                                                                                                                 |
|-------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Complete stainless steel construction           | Interior and exterior are entirely constructed from stainless steel for lasting durability and easy cleanup                                                     |
| Forced air cooling                              | Top-mounted commercial fan ensures rapid temperature recovery                                                                                                   |
| Glass door                                      | Full display of the interior, with an anti-condensate door frame heater to ensure a clear view                                                                  |
| Automatic defrost with adjustable cycle defrost | Adjustable cycle defrost operation ensures the unit avoid temperature spikes and ice buildup                                                                    |
| Self-closing doors                              | Closes to save energy but will remain open when the door is opened at a 90° angle for easier loading                                                            |
| Open door alarm                                 | Alarm will beep 3 times if the door is left open for 30 seconds, 5 times at 60 seconds, and will sound continuously if the door is open for more than 5 minutes |
| Temperature alarm                               | Visual and audible alarms alert if the interior temperature rises or falls out of set range                                                                     |
| Commercial grade casters                        | Ships with a set of casters (2 locking) for easy mobility as needed                                                                                             |
| Microprocessor control panel                    | Digital controls with a large LED readout in Celsius or Fahrenheit for intuitive temperature management                                                         |

# SCR49SSG Specifications:

| Overview                   |                      |
|----------------------------|----------------------|
| Nominal Height             | 84.0" (213 cm)       |
| Height of Cabinet          | 83.75" (213 cm)      |
| Nominal Width              | 56.0" (142 cm)       |
| Width                      | 55.25" (140 cm)      |
| Nominal Depth              | 31.0" (79 cm)        |
| Depth                      | 31.0" (79 cm)        |
| Depth with Handle          | 32.75" (83 cm)       |
| Depth with door at 90°     | 56.5" (144 cm)       |
| Capacity                   | 49.0 cu.ft. (1388 L) |
| Defrost Type               | Automatic            |
| Door                       | Glass                |
| Cabinet                    | Stainless Steel      |
| US Electrical Safety       | UL                   |
| Canadian Electrical Safety | ULC                  |
| Sanitation                 | ETL-S                |
| Amps                       | 7.5                  |
| Voltage/Frequency          | 115 V AC/60 Hz       |
| Weight                     | 441.0 lbs. (200 kg)  |
| Parts & Labor Warranty     | 2 Years              |
