ZLINE
ATTAINABLE LUXURY®

INTRODUCTION

Experience ZLINE Attainable Luxury with industry-leading kitchen and bath products that provide an elevated luxury experience, all designed in Lake Tahoe, USA. The ZLINE Garmisch Stainless Steel Sink is hand crafted and intuitively designed to offer the most efficient washing experience. With functionality and bold design in mind, each sink offers: Industrial grade rust-resistant stainless steel ensuring durability and longevity, extra deep, high capacity bowls/basins offering maximum room for any size wash job, and creased accent lines and basin sloping creating superior drainage and providing more usable space - eliminating free standing water 3 times faster than our competitors. All ZLINE sinks have garbage disposal compatibility (sold separately) and are designed geometrically to silence sound and create a quieter work space. We take pride in offering our customers the same high quality materials and features for over 10 years, with one of the easiest installations in the industry-guaranteed. All ZLINE sinks are protected by our generous limited lifetime warranty and ship next business day when in stock.
