BUILT-IN

X-PRO® SERIE

Fhiaba

FEATURES

- Made in Italy
- TriMode™: Total Flexibility, make the bottom drawer a refrigerator, fresh food space, or freezer with the control menu
- ProVent™: Uniform air circulation maintains consistent temperatures throughout the appliance resulting in better food preservation
- OptiView™: OptiView LED lights
- ProVent™: Uniform air circulation maintains consistent temperatures throughout the appliance resulting in better food preservation
- Humidity Control: Choose between high, medium and low humidity – particularly important for wine storage
- Total No Frost: Temperature control helping mitigate cooling loss when opening the refrigerator door. No more frost build-up that requires defrosting
- EquiLance™: Achieve a seamless built-in look with Fhiaba's innovative door hinge

Electrical Connection

Electrical and water connections (if applicable) should be reachable without having to uninstall the appliance. If the connections must be made directly behind the appliance then it is recommended to recess those connections.
IMPORTANT: do not put the water shut-off valve behind the appliance where it will be inaccessible.

For installation specifications, please consult with Fhiaba. For optimum installation, we recommend using the actual product as the best guide.
