

Monogram Professional Hoods

Monogram® Professional Hoods.
The height of design sophistication.

Monogram has elevated the professional hood to a new height of sophistication. Crafted of lustrous stainless steel, with every edge buffed by hand, a Monogram hood provides an attractive and powerful finishing touch.

As a complement to Monogram cooktops, the new island hood creates a dramatic impression. The collection also includes wall-mounted hoods in your choice of three distinct styles, allowing tremendous design flexibility.

Professional hoods house a powerful ventilation system that operates at a maximum venting capacity of 1200 cubic feet per minute (CFM), and wall-mounted hoods include infrared warming lights that help keep foods warm until serving.

ZV48SSFSS 48" Professional Straight-Sided Hood with duct cover.

ZV36SSFSS 36" Professional Straight-Sided Hood with duct cover.

ZV30SSFSS 30" Professional Straight-Sided Hood with duct cover.

ZV48RSFSS 48" Professional Restaurant Style Hood with duct cover and 22" stainless steel backsplash with warming shelf.

ZV36RSFSS 36" Professional Restaurant Style Hood with duct cover and 22" stainless steel backsplash with warming shelf.

ZV30RSFSS 30" Professional Restaurant Style Hood with duct cover and 22" stainless steel backsplash with warming shelf.

General Features

Seamless appearance. The welded, double-wall construction offers an unmistakably refined appearance.

Powerful ventilation. A powerful centrifugal blower, up to 1200 CFM, and variable-speed control keep your kitchen free of fumes and excess heat.

Infrared warming lamps. Powerful infrared lamps on wall-mounted hoods cast a warm glow over the cooking surface, while generating the heat necessary to keep baked goods at ready-to-serve temperatures.

Brilliant task lighting. Halogen lights illuminate the cooktop surface below and can be adjusted to complement the dining occasion.

Removable filters. During ventilation, stainless steel filters trap airborne grease particles, and can be easily removed for safe cleaning in your dishwasher.

Monogram professional hoods offer powerful ventilation in three striking styles. All models are designed to partner beautifully with any cooking product, whether it's a professional range or electric cooktop.

ZV48TSFSS 48" Professional Tapered-Sided Hood with duct cover.

ZV36TSFSS 36" Professional Tapered-Sided Hood with duct cover.

ZV30TSFSS 30" Professional Tapered-Sided Hood with duct cover.
